

African Australian Assistance Project

A program designed by African Australians for African Australians.

Free legal assistance to young African Australians in the West and their families on issues such as:

- o ImmiCards and citizenship applications
- o Fines, infringements and debts
- o Family Law and Domestic and Family Violence
- o Tenancy and renting issues
- o Car accidents
- o Criminal law
- o Consumer help and problems with products or services

Free legal education sessions for African Australian communities in the West on:

- o Renters' Rights
 - o Police Powers
 - o Domestic and Family Violence
 - o Consumer Law
 - o Fines and Infringements
- Free training on African cultural perspectives and engagement, and how to identify and support clients with legal issues, for professionals and organisations working with young African Australians in the West
 - Referral pathways to other legal and non-legal services.
